

Joseph Tursi

Permanent Address: 3337 E. Orvilla Rd., Hatfield, Pa 19440

Current Address: 1977 Nathaniel Rochester Hall, Rochester Institute of Technology, Rochester, NY 14623
267-337-3619 jpt6083@rit.edu

Portfolio: joetursi.ismakinggames.com

OBJECTIVE:

To secure a fall co-op position to get real-world experience in software development.
Available August through December 2016

EDUCATION:

- Rochester Institute of Technology(RIT), Rochester New York
- Bachelor of Science in Game Design and Development(GDD) Expected May 2017
- GPA: 3.37/4.0

SKILLS:

- **Languages:** C#(3 years), C++(1.5 years), HTML/CSS/Javascript(1.5 years), Java(1 year), Processing(.5 year)
- **Tools:** Visual Studio 2015, Unity, Brackets, OpenGL, DirectX, GitHub, Photoshop, Maya, Microsoft Office
- Aesthetic design for web and game development

PROJECTS:

- **Flatoon:** A 2D game created in Canvas using javascript. Designed and created over the course of 3 weeks, it is a very simple version of what me and my partner thought a 2D Splatoon type game might feel like. Plays in a browser.
- **Tussle:** A card-based fighting game created in a span of 5 weeks. It is a very simple game with each player having a deck and a combo list. This means that games typically last 5 minutes on average.
- **CyberRun:** A game created over a 10 week course as a way for us to learn how to build an engine in DirectX. Gameplay was a simple infinite runner, primarily made so we could create and test a graphical effect engine.

WORK EXPERIENCE:

Instructor, Digital Media Academy **Harvard, UPenn, GWU, Bryn Mawr College** **Summer 2015**
Taught 7 weeks of courses ranging in topics from arduino to mobile programming to game design. Created and followed lesson plans. Worked with children ranging from 8-16 years old.

Mathematics Tutor **Hatfield, PA** **Summer 2014**
Tutored an incoming 8th grade student in algebra and geometry over a 10 week summer session; created lessons plans, worksheets, quizzes, and a final.

Cashier, Giant Food Store **Hatfield, PA** **Mar 2012 – Aug 2013**
Major chain grocery store cashier. Dealt with public, used scanning equipment, processed various electronic payments.

ACCOMPLISHMENTS:

- Dean's List: Spring 2015, Fall 2016
- St John Neumann Scholarship: Academic based full high school tuition award
- Future Business Leaders of America
- High School GPA 4.0
